**Bolehkah Malaysia bermanfaat daripada Kabinet Bayangan Belia rasmi?**

Dibuatkan: 27 Julai 2023 8:00 PM | Diakses: 30 Julai 2023 1:17 PM

"Kita tidak boleh sentiasa membina masa depan untuk belia kita, tetapi kita boleh membina belia kita untuk masa depan" - Franklin D. Roosevelt (diterjemahkan).

Golongan belia merupakan aset yang tidak ternilai bagi sesebuah negara dan penglibatan aktif mereka amat penting untuk memperkukuh demokrasi negara. Tetapi bagaimana pula jika kita memberi belia tanggungjawab sebenar hari ini dengan pembentukan Kabinet Bayangan Belia rasmi?

Adakah penting bagi Malaysia untuk menubuhkan satu Kabinet Bayangan Belia rasmi dan bagaimanakah perubahan ini akan membawa perubahan kepada negara kita?

Menjelang 29 Julai, para belia sendiri akan berdebat isu ini. Perbahasan Kabinet Bayangan Belia ini adalah sebahagian daripada siri Debaton Parlimen Belia tahun ini. Debaton Parlimen Belia adalah sebuah program simulasi parlimen di mana para pembahas memainkan peranan sebagai ahli-ahli Parlimen (MP), sama ada sebagai ahli parlimen kerajaan atau sebagai ahli parlimen pembangkangan.

A group of young Malaysians recently participated in the Youth Parliamentary Debate, an event that allows them to experience a day in the life of an MP. It was truly a momentous event to see the youths exchange their views and cabinet ministers who shared their words of wisdom with these aspiring activists and potential lawmakers.

For the second motion on **Malaysia for Sustainable Forest Management over Zero-Deforestation**, it was chaired by YB Puan Syarifena Abdul Rashid, Member of Parliament Bukit Bendera.

From the government bench, Benteray Ooi Si Quan said that sustainable forest management would be more effective in combating climate change and flash floods over a zero-deforestation approach.
